

BEST BUY

Gurnee, Illinois

ARCHITECT: Paul G. Dahl Architect
Minneapolis, MN

OWNER: Best Buy
Richfield, MN

SERVICES PROVIDED: General Contractor

LOCATION: Gurnee, Illinois

This 82,600 SF project began by converting an existing Kohl's Department Store in a strip mall into a Best Buy store. The tenant space underwent extensive architectural, structural, mechanical and electrical renovations. The existing precast panels and roofing system were removed and replaced to incorporate Best Buy's architectural designs. The project was completed in twenty-six weeks.
